Let's make Ballincollig a Shopping Magnet

We will organize a major press release based on the **fight the recession** aspect of this project, which will help bring **Shopping in Ballincollig** to the attention of the outside world.

We will also advertise on radio, offering a **special 'pamper me' package** (including subsidised/discounted meal, car valetting, hairdressing, spa treatment, cinema tickets for kids and free parking), to encourage people to see shopping in Ballincollig as a real day out and a serious alternative to Douglas-Mahon.
