

Westside Retail Park. How to Find it.

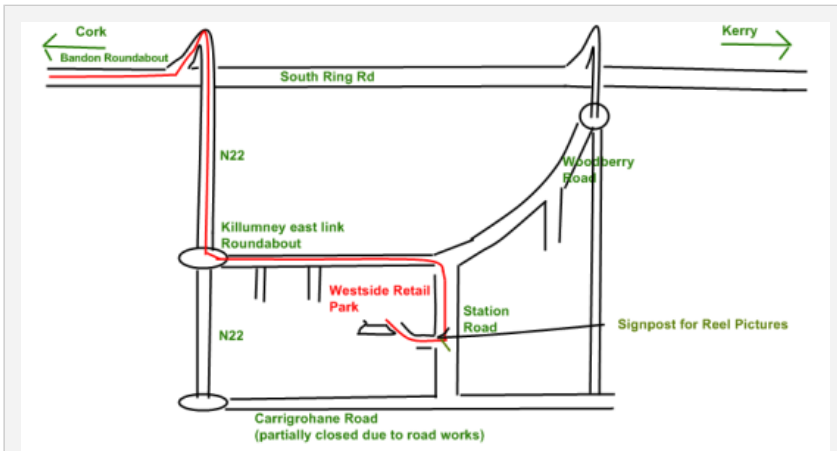

JUNE 16, 2009

Westside Retail Park, Ballincollig, Cork

The Westside Retail Park houses many of Ballincolligs biggest stores. You've got one of Irelands biggest golf stores in Nevada Bobs and a huge Pet supply store in Maxi Zoo. If you're looking for high quality furniture, you've got Upstairs Downstairs and Q&V, which supplies a whole range of products including furniture, fashion, DIY and Electrical goods.

Heres a guide to getting to the stores in Ballincollig. Notice, the Carrigrohane road is closed at the moment, so this is a temporary guide to an alternative route until work is finished on this road.

At the Bandon Roundabout, go onto the South Ring Road on to the Ballincollig Bypass.

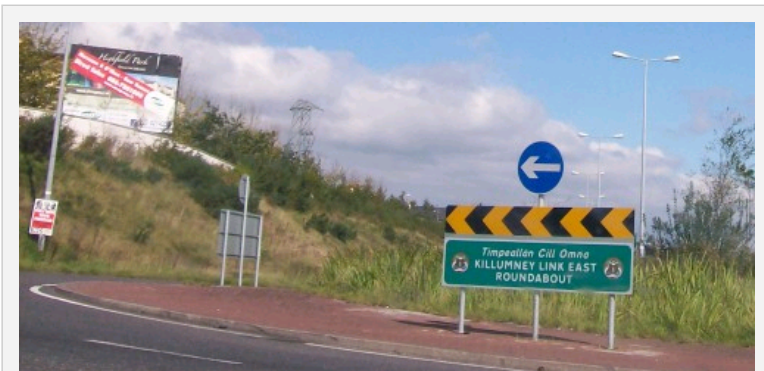

Turn onto the southring road towards the ballincollig bypass from the Bandon Roundabout

Then take the first exit from the Bypass that takes you onto the N22 to Ballincollig. You will cross the bridge pictured below.

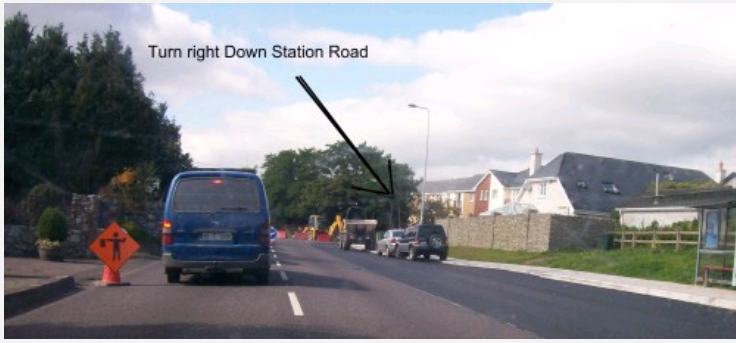

turn left onto the N22 to Cork

Follow the N22 until you come to the first roundabout (Killumney Link East)

Turn Left at the Killumney Link East Roundabout

Follow the Killumney Road and then take the third major turn off to the right, which brings you down Station Road. Notice the bus stop in the picture below, just short of the turn off.

Turn Right down Station Road

Drive past the church, Scoil Eoin and the Ballincollig Community Hall until you come to the Reel Picture Signpost, where you should turn right.

Turn Right at the Reel Cinema Signpost

Advance about 40 meters and take the right turn up an incline which takes you into Westside Retail Park.

Upstairs Downstairs. Traditional and Modern Furniture Store

AUGUST 12, 2008

www.wildwoodtc.com

Upstairs Downstairs is located in the [Westside Retail Park in Ballincollig](#) (see map link below). It stocks a large collection of high quality and luxurious furniture, catering for both modern and traditional tastes.

It is a distributor for the Wildwood Trading Company, which specialises in the importation and distribution of a wide range of furniture from around the world. They carry a large stock of Teak, Mahogany and other hardwood furniture.

All woods are sourced from sustainable resources (usually governed managed plantations). Then the best kiln dried wood is selected and each piece of furniture is handmade by experienced crafts men to the highest specification, standards and quality controls.
